

18 Giri x 4,226 km = 76,068 km

Misano World Circuit 4.226 m

A scatter plot representing the results of a motorcycle race. The plot is set against a background of a black and white checkered flag. Each rider is represented by a rectangular box containing their position number, name, brand, and time. The boxes are arranged in a grid-like pattern, with the rider's position number in the top left corner of the box. The rider's name is in the top right, the brand is in the middle, and the time is in the bottom right. The boxes are colored in a repeating pattern of light blue, light green, and light orange. The rider's position number is in the top left corner of the box. The rider's name is in the top right, the brand is in the middle, and the time is in the bottom right. The boxes are colored in a repeating pattern of light blue, light green, and light orange.

Position	Rider Name	Brand	Time
